June 2016

Dear Traffic Incident Management Partner,

The Metro Atlanta Traffic Incident Management Enhancement (TIME) Task Force has worked since 2002 to promote best practices for incident management, quick clearance, inter-agency cooperation and first responder safety on area interstates and roadways.

The Georgia Department of Transportation, Federal Highway Administration and local agencies are keenly interested in finding better ways to protect drivers and emergency workers on the roads. The TIME Task Force spearheads this effort in Georgia.

The TIME Task Force will hold its 15<sup>th</sup> annual conference Oct. 24-25, 2016, at the Westin in Jekyll Island, GA. The conference will include presentations on innovative approaches to traffic incident management, expert panel discussions and hands-on exercises and demonstrations. We expect an attendance of approximately 125 people.

As state and local agency budgets continue to face severe challenges, TIME is underwriting conference fees for public agency and first responder personnel, including metro Atlanta law enforcement and fire fighters. Our conference features a silent auction fundraiser to offset these costs.

TIME is requesting that you donate goods for conference participants to bid on during silent auction. Please send all donations to: Brooke Coty, 2055 Sugarloaf Circle, Suite 500, Duluth, GA 30097. The TIME Task Force is a 501(c)3 Public Benefit Organization, federal Tax ID number 20-8027907.

Your tax-deductible support as a silent auction donor will allow public agency personnel to attend this conference when budgets otherwise would not permit. You will be recognized as a donor during the TIME Annual Conference and included in the advance promotion. A donation receipt is attached to this letter; please retain for your records.

Please contact Brooke Coty at 404-320-1776 or [brooke.coty@parsons.com](mailto:brooke.coty@parsons.com) should you have any questions. Thank you for your support of the Metro Atlanta TIME Task Force.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Josey".

Jason Josey

Georgia Department of Transportation, H.E.R.O. Unit Coordinator  
TIME Task Force Co-Chairman

(Please retain this receipt for your records.)
